About This Game

New Life is an open world RPG inspired in the real life, in New Life you will be able to work as a truck driver or have your own truck company. Or just go for the riskier side and traffic with drugs or rob banks. With the money earned from those jobs you can buy clothes, cars, houses or simply invest that money buying a business and generate more. When you buy a house or a flat, you will have the option to decorate it as you like, so you later can make parties or simply invite your friends. You can share your properties with your friends so you can distribute better the work with your businesses or so that you can pay less for a house or flat. Everything will dependent on the decisions you make.

LEGAL JOBS

If you want to make money without breaking the law or by not risking your life, the legal jobs are your best option. You will be able to work on the road as a truck driver or in an office by working as a secretary. If you want to fight the crime or at least help people, you will have the option to work as a Police Officer, EMS or as a Firefighter.

And when you generate a good amount of money you will be able to buy a business and generate money faster and easier.

ILLEGAL JOBS

If you like to make a lot of money no matter the consequences, this are the best jobs for you. Sell drugs on the streets or rob a bank.

If you start with the drugs business you will find a few options. You can transport the drugs from point A to point B or just cook or plant your own drugs and then sell it to the drug dealers, you can also do this type of jobs with other goods, like weapons.

BUSINESS

If you have some money saved, and you are tired of working for someone. Buy your own business and make money from an easier and faster way. You will be able to buy from a Supermarket to a huge Airline.
